SOUTHWEST ART FEST

Dear Artist, Venue, Community

Cypress Hills-Grasslands Destination Area, as event organizers, are pleased to announce the inaugural "Southwest Art Fest". Southwest Art Fest is an umbrella term that focuses on multiple art genres including painting, drawing, pottery, quilting, photography, film, music and other visual arts.

Southwest Art Fest will provide the opportunity for artists of all genres throughout Southwest Saskatchewan to have their artwork showcased at a designated location throughout the month of September

Artists are encouraged to find a venue and vice versa with participation being open to all Southwest artists and venues. To register, fill out the on-line Google Docs form found on our Facebook page, email a scanned copy of the completed form, or send it by mail to the address listed at the bottom.

Southwest Art Fest provides a safe venue to tour, meet and discover Southwest Saskatchewan Art in a Covid-safe environment. Southwest Saskatchewan is a vast and diverse area which features many kilometers of highway that pass through the Sandhills, the Grasslands, the Cypress Hills and many communities with incredible sights along your travels to discover.

A list of the participating artists and their venues will be maintained on the Southwest Art Fest Facebook page and the Cypress Hills-Grasslands Destination Area website.
